About Liaison

Liaison saves the public sector real money in the key areas of finance and workforce effectiveness. We're passionate about what we do because we help lots of organisations to improve the way they spend their money – notably the NHS. Founded 30 years ago, we've come a long way since then. Today the company boasts a workforce of more than 250 people with a headquarters located in the historic city of Worcester, along with many remote workers across the length and breadth of the UK.

The team

The team is one of the main advantages of working for Liaison. They are incredibly helpful, friendly and knowledgeable. Within the Derby office there is a group of talented Developers and Testers who are building our new in-house comprehensive Workforce Management system which is used by a good proportion of the NHS. Alongside this team there is another which looks after projects sat outside this remit, which is where this role sits.

You will be based in a modern, open-plan, bright office which is based at Pride Park, Derby.

Main responsibilities

To support the implementation and maintenance of the Payroll application being developed for Liaison to support payments to NHS temporary staff. Using manual and automated testing tools as necessary and helping to further promote test drive development.

Experience/qualifications needed

Experience within testing in essential, however we will consider applicants with experience solely with manual testing. We will provide support and development to any candidate joining.

The role requires:

- Good knowledge and understanding of Quality Assurance (QA) processes and the Testing industry
- Good understanding of testing concepts and how testing fits in with the overall project life cycle
- Fundamental knowledge of testing methodology (V Model, Waterfall, Agile etc.) and testing trends
- Awareness/experience of Agile principles/practices
- Knowledge of the software development lifecycle, testing and quality processes
- Ability to work in a dynamic and fast paced environment
- Highly motivated self-starter
- Strong verbal and written communication skills

Benefits of working for Liaison

Liaison believes that working life should be a happy and healthy one.

We offer all staff a wide variety of company benefits as well as the opportunity to get involved in a range of company organised events; from regular physical challenges all the way to bi-annual staff away days and social events - plus others too.

Our wide range of staff benefits aim to have an impact on both home and working life for all staff, while at Liaison.

We offer:

- 23 days holiday initially, which increases annually upto 28 days
- Private Healthcare for you and friends and family
- Childcare vouchers
- Company days/social events
- Pension
- Life Assurance 4 x salary
